

Frequently Asked Questions (FAQs)

A. Elector's Photo Identity Card (EPIC)

(1) What is EPIC?

EPIC stands for Electoral Photo Identity Card. It is a photo identity card issued by the Electoral Registration Officer (ERO) to one who is registered as an elector (voter) of his Assembly Constituency (A.C.) on behalf of the Election Commission of India. It is used for the purpose of identification of an elector especially at the time of casting his or her vote.

(2) Who is eligible to get an EPIC?

Any elector whose name is enrolled in the Electoral Roll (Voters' List) published by the Electoral Registration Officer is eligible to get an EPIC. A person whose name does not appear in any Electoral Roll in India is not eligible to get an EPIC.

(3) How is EPIC generated?

There are two broad mechanisms for generating EPICs: -

(a) If your name is enrolled in the Photo Electoral Roll (PER)

- At the time of Revision of Electoral Rolls or at any other time announced by the Election Commission of India, photo-taking programmes are conducted at Designated Photography Locations (DPL). A DPL is generally a polling station, where photos of electors belonging to the adjacent polling stations are taken. There is also a Permanent EPIC Centre (PEC), which runs throughout the year at the office of the concerned Sub Divisional Officer. In the Designated Location or at the PEC, an elector may get himself photographed or may submit his photographs along with Form No. 001B duly filled in on the basis of which the EPIC is generated.

(b) If your name is not enrolled in the Photo Electoral Roll (PER)

- You should submit your details in Form 6 alongwith two photographs to the ERO/BLO. After verification and scanning the photo, the name of eligible elector is inserted in the photo electoral roll and EPIC is prepared.

(4) How can I get an EPIC?

- First you have to ensure that your name is included in the Electoral Roll. You can check this from the website of the Chief Electoral Officer of your State (e.g. www.ceoharyana.nic.in). Then you can contact your ERO's office to know whether any photo-taking programme is scheduled in the near future. If yes, then you might enquire about Designated Photographic Locations (DPL) catering to your polling station. If no photo-taking programme is scheduled in the near future, you can ask for the location of the Permanent EPIC Centre (PEC). After getting this information you may either go to the Designated Photography Location (if a photo-taking programme is going on) or the PEC to get yourself photographed. You can also submit Form 001B or Form 6 as the case may be duly filled in with your two photographs at these places.
- These forms may also be submitted to the Electoral Registration Officer or the Booth Level Officer of your area.

(5) Who is Electoral Registration Officer (ERO)?

For each assembly constituency an Electoral Registration Officer is appointed/designated by the Election Commission of India. Usually, he may be Sub-divisional Officer (Civil)/Divisional Magistrate or any other officer who is having the similar status. The office locations/designations of the EROs are available on the CEO's website of the concerned State.

(6) Who is Booth Level Officer (BLO)?

- BLO is a local Government/Semi-Government official, familiar with the local electors and generally a voter in the same polling area who assists in updating the roll using his local knowledge. In fact, BLO is a representative of Election Commission of India at the grass-root level who plays a pivotal role in the process of roll revision and collecting actual field information with regard to the roll corresponding to the polling area assigned to him. Though BLO is not a full time electoral official, but the responsibility of BLO adds an additional dimension to his profile as he is rendering a responsible civic duty. He is just like a friend, philosopher and guide of the local people in matters relating to the roll. Each BLO shall have one/two polling station area under his/her jurisdiction. An eligible person can contact to the BLO in respect of registration in electoral roll and for getting EPIC.
- The name, designation, location, contact telephone / mobile number of the BLOs are available on the State CEO's website (for example www.ceoharyana.nic.in). BLO is a most convenient person to whom respective forms can be obtained and submitted.

(7) What are the documents I need for getting an EPIC?

For getting an EPIC, you will need documents to prove your: -

- Identity
- Residence
- Date of birth

The documents for proving identity may be any photo-bearing document issued by any Government or semi-government authority or educational institutions including identity cards. Proof of date of birth may be provided through Birth Certificate issued by competent authority or Admit Card of school leaving examination as you have to be citizen of India and ordinarily resident of that place as given in your Form.

(8) What happens if I do not have any proof of identity?

In case you do not have an identity proof, you may bring one of your family members who holds an EPIC and whose blood-relation is evident from the part of Electoral Roll containing your name. He or she can identify you at the ERO office/BLO location.

(9) What happens if I do not have a proof of date of birth?

If you do not have a proof of date of birth, only your year of birth can be ascertained by the software used for preparing the EPIC, depending upon your age as entered in the Electoral Roll. Your date of birth will appear as XX/XX/1950 (if your year of birth is ascertained as 1950) in your EPIC.

(10) I have lost my EPIC. How can I get a new one?

If you have lost your EPIC, you can get a duplicate EPIC by submitting a declaration that your EPIC is lost and paying a fee of Rs.25. In case you have lost your EPIC in a natural calamity such as flood, earthquake, cyclone, etc you may be issued with a duplicate EPIC free of cost. Your duplicate EPIC will have the word "DUPLICATE" inscribed upon it.

(11) My EPIC is torn – can I get a duplicate EPIC?

You may get a duplicate EPIC on submission of the torn EPIC to the ERO and by making a payment of Rs.25/- against proper receipt. The rest of the procedure is the same as that for obtaining a new EPIC.

(12) I have changed my place of residence – should I get a new EPIC?

An EPIC issued at any place is valid throughout India for the purpose of casting of votes. Hence you do not need an EPIC replacement.

(13) I have changed my place of residence and want the changed address to be reflected on my new EPIC. What shall I do?

First you have to ensure that you are included in the Electoral Rolls pertaining to your new address. Then you have to apply for a duplicate EPIC by depositing Rs. 25/- against proper receipt. The rest of the procedure is the same as that for obtaining a new EPIC. You have to deposit your old EPIC at the time of receiving the duplicate EPIC.

(14) My name/father's name/husband's name/age/sex appears incorrectly on my EPIC. How can I get my EPIC corrected?

Please check whether the related data is reflected correctly in the electoral roll or not. If it appears correctly in the Electoral Roll, you can apply for changing the EPIC to your ERO in Form 8 at the PEC or at the DPL if a phototaking programme is running. In case the roll is in Vernacular (local language) and the error is in the name printed in English on the EPIC or vice versa, please ensure that the correct spelling in both the languages are written in the Form 8.

If the data is incorrect in the electoral roll itself, please take steps to correct the electoral roll first. Then follow the procedure stated in the previous paragraph.

(15) I have two EPICs of myself in my possession. What should I do?

Holding of more than one EPIC is illegal under law. You should immediately deposit one EPIC to the concerned ERO under proper receipt.
